COMPANY OVERVIEW

Gulf Coast Supply Group LLC is an active Florida-registered American commercial supply company with procurement and order coordination operations in Egypt. We supply computer and IT equipment, commercial goods, and recurring consumables to U.S. Embassy offices, federal purchasing officials, international organizations operating in Egypt, and prime contractors. Focused on product procurement rather than labor-intensive service contracts, we work with manufacturers and wholesale distributors to verify item specifications, submit competitive itemized quotations, and arrange delivery to the designated point of receipt.

CORE COMPETENCIES

- IT Hardware & Commercial Goods Supply
- Manufacturer & Wholesale Sourcing in Egypt
- Part-Number & Specification Verification
- Brand-Name or Equivalent Product Offers
- Itemized Multi-Category Quotation Pricing
- Order Packing & Delivery Coordination

DIFFERENTIATORS

- **U.S. Business Accountability:** Active Florida limited liability company (SAM.gov Active) providing clear commercial contracting, invoicing, and responsive communication.
- **Local Execution in Egypt:** Direct engagement with Egyptian manufacturers, importers, and wholesale distributors to confirm product details, pack sizes, and realistic lead times per inquiry.
- **Disciplined Pre-Quote Review:** Before quoting, we verify hardware configurations, regional power/keyboard standards (220–240V / 50Hz), Section 889 rules, shelf-life thresholds, and delivery feasibility.

SUPPLY CATEGORIES

Computer & IT Equipment
Computers, laptops, workstations, servers, storage, networking equipment (switches, routers, access points, cabling), printers, scanners, monitors, peripherals, and UPS/IT power accessories (hardware procurement & supply only).

Janitorial & Facility Consumables
Cleaning agents, disinfectants, paper towels, tissue, trash liners, dispensers, and custodial supplies.

Office & Paper Supplies
Copy and bond paper (A4/Letter), printer toner and ink, filing supplies, labels, and administrative items.

Medical Disposables & Healthcare
Non-controlled exam gloves, masks, gauze, dressings, disposable drapes, and clinic consumables.

Electrical & Lighting Products
Commercial LED lamps and fixtures, breakers, switches, wiring accessories, and maintenance supplies.

Packaging & General Facility Supplies
Corrugated cartons, stretch wrap, strapping, sealing tape, protective packaging, and storage containers.

Selected Food Products
Shelf-stable dry goods, bottled water, and packaged staples subject to shelf-life and import rules.

Product sourcing is subject to current availability, buyer specifications, applicable regulations, and delivery verification. Order-related support is evaluated where aligned with a product supply requirement.
